The equivalent of one course is defined as 3 semester credits, 4-quarter credits, For post degree training programs, a minimum of 36 didactic hours (i.e. lecture hours) will be equivalent to one course. The evaluation must also include a detailed list of courses that were accepted towards the degree, including grade and semester credits that were earned. All costs for this certification are the responsibility of the applicant. For a list of services, please contact the National Association of Credential Evaluation Services, Inc. at [www.naces.org](http://www.naces.org).

Applicants who did not complete the full 300 hours may document their remaining hours as their first post-graduate client contact hours supervised by an AAMFT Approved Supervisor, supervisor candidate or by an alternate supervisor accepted by AAMFT specifically for that individual. However, at least some of the practicum hours must be completed during the graduate program as part of a recognized practicum. Not all of the hours may be post-grad.
